Health & Wellness Presentations

— Dealing with Challenging Interactions

Life continually presents us with interpersonal challenges, in the form of different behavioral styles. Assertiveness is not always the norm; aggressive, passive and passive-aggressive styles can be particularly difficult to address. This presentation focuses on ways to deal with various interpersonal approaches, and tips to manage reactions to those styles.

— Dealing with Conflict

This presentation offers general information about the sources and symptoms of conflict so that participants may identify their own conflict management style and learn practical ways to navigate conflict.

— Dealing with Difference

This presentation heightens awareness of the impact of difference; helps participants distinguish between categorizing and stereotyping; and offers tips to address dealing with difference in the workplace.

— Depression: *What It Is and How to Help*

The primary focus of this seminar is to educate participants about the warning signs and dangers of depression, and how it can be treated.

— Domestic Violence: *Effects on the Workplace*

Domestic violence affects the individual employee, and has an impact on the workplace as well. This presentation identifies those potential effects, and suggests approaches that colleagues and agencies can take to address the issue.

— Dynamics of Addiction

Addiction is a topic that is often associated with substance abuse, but many behaviors can also become addictive, including shopping, working, and computer use, to name a few. This presentation looks at a range of addictive behaviors, the differences between a habit and an addiction, and the steps in changing behavior.

— Effective Communication

Communication is more than just talking. Participants will learn general skills to help them communicate more effectively using the skills of active listening, validating and positive assertiveness.

— Elder Care

Caring for an aging loved one presents difficult challenges. The primary focus of this seminar is to raise awareness about elder care and care giving resources, and to offer practical tips and insight.

— Navigating Loss

Changes, both positive and negative, can create a sense of loss. This seminar addresses different types of losses, our responses to them, and what we can do to care for ourselves and others when experiencing a loss.

— Retirement: Into the Unknown

This presentation expands awareness of retirement as a major life transition and helps prospective retirees plan for its emotional repercussions. NOTE: This is not a seminar on retirement rules or benefits.
